

ADMISSIONS FALL 2020

ST. LOUIS
UNIVERSITY HIGH

THANK YOU FOR YOUR INTEREST IN ST. LOUIS UNIVERSITY HIGH SCHOOL!

We enjoyed meeting some of you during our spring/summer virtual events and look forward to seeing you again in the fall!

For 8th graders finalizing high school decisions, outlined here is our admissions process for the fall that parallels SLUH's plan to re-open campus and begin classes.

Our approach will continue SLUH's high level of engagement for applicants and rely on the following:

- We will continue to follow the St. Louis Archdiocese timeline of admission with a December 4th application deadline and January 29th acceptance letter distribution. However, rolling admissions will continue as necessary to meet the needs of applicants.
- SLUH's shadow program will be postponed; however, virtual options will be offered throughout the fall. Bringing students back to campus will be re-evaluated as health guidelines continue to evolve.
- We will be flexible throughout the process so that the decision you make is the best one for you and your family and as stress-free as possible.
- The lines of communication will be open, whether through the good old-fashioned phone, email or Zoom/Facetime, etc.

FOR FALL 2020**

ADMISSIONS

FALL 2020

VISIT

- **Campus visits for 8th graders** [are available now](#) for families, one at a time. These visits are conducted by a member of our admissions staff along with a student ambassador when available. These visits provide meaningful time for us to get to know you and for you to have all your questions answered in a more personal setting.
- **Virtual options** are currently being created for campus tours and meeting up through Zoom to dive into topics of interest to prospective students. Our webpage is currently being reconstructed to combine Viewbook information with engaging content.

Visitor Protocol

- Confirm visit with admissions staff or online registration.
- Complete an online health screening form 24-hours prior to the visit. This form will be provided in a confirmation email.
- Arrive wearing a mask or obtain one at check-in.
- Sanitize hands upon entry.
- Receive a temperature check.
- Comply with 6 feet social distancing.

Admissions visits will be confirmed after registration through email with complete instructions and parking details.

Postponing our 8th grade shadow visits will allow our current students, faculty and community to come back to campus and become familiar with their new schedule, safety protocols and routine, with minimal disruption.

ADMISSIONS FALL 2020

• APPLY

- **Class of 2025 – APPLY!**

Our admissions application is available online at apply.sluh.org. Create a SLUH Admissions Account and apply now!

- **Transfer Students!**

Contact the admissions office for more information about this process.

• INQUIRE

Contact us any time to discuss your interest in SLUH. We will guide you through the process and make sure that any information you need to make your decision will be available to you. Please visit our [webpage](#) for more details regarding admissions criteria, process and financial aid.
