This fee also covers all enrichment trip fees for the school year and an SCCS t-shirt for each student provided at Welcome Day.
- **Commitment Fee** - \$175 per student is due annually with the submission of each child's enrollment packet. This fee is called "enrollment fee" on FACTS statements.
- **FACTS Processing Fee** - A per family fee charged based on the payment plan chosen in FACTS (\$55 for 10 payments and \$25 for single payment). This fee is called "enrollment fee" on FACTS statements and is paid to and managed directly by FACTS Tuition Management.

SCCS strives to keep the cost of extracurricular activities at a reasonable and affordable rate for participating students. Some optional student activities require additional payment. Fees are published alongside registration for these activities as they become available throughout the year.
